TO: ALL LICENSED SURPLUS LINES BROKERS

Pursuant to the provisions of New Hampshire RSA 405:26, please find attached a list of unlicensed insurers currently qualifying as an eligible surplus lines insurer in the State of New Hampshire. This report (Report #28) supercedes all listings previously issued by this Department.

Only those companies appearing on this listing are authorized to issue policies on a surplus lines basis in this State.

Those surplus lines companies who have appeared on prior surplus lines listings and do not appear on Report #28 are prohibited from issuing new or renewal business effective October 1, 1999. For policies issued for a term longer than one year, the company must be on the approved list on the annual anniversary of the policy.

Be advised a surplus lines broker may incur substantial liability for policies placed through an unapproved unauthorized insurer. Pursuant to RSA 406-B:8, 1. "any person who accepts or in any manner aided directly or indirectly in the procurement of such insurance contracts shall be liable to the insured for the full amount thereof," if the insurer fails to pay a claim or loss.

Also be advised that effective July 4, 1986, RSA 405:24 requires every surplus lines broker shall have stamped on the face of the binder or policy the following: "The company issuing this policy has not been licensed by the State of New Hampshire and the rates charged have not been approved by the Commissioner of Insurance. If the company issuing this policy becomes insolvent, the New Hampshire insurance guaranty fund shall not be liable for any claims made against the policy."
